NOTICE OF INTENT TO TERMINATE PERMIT
FOR A SOLID WASTE DISPOSAL FACILITY

The Tennessee Department of Environment and Conservation (TDEC), Division of Solid Waste Management (DSWM), has tentatively decided to terminate the solid waste disposal facility permit for Barr Tire Company disposal facility, currently permitted to Lee Barr d.b.a. Barr Tire Company. The facility, identified as DML 11-0063, is located in Cheatham County, on the south side of Old Higdon Road and approximately 4.5 miles east of the Ashland City line and approximately 0.7 miles north of the Cheatham/Davidson County line (latitude 36° 16' 19" N/longitude 86° 58' 42" W).

This facility is permitted for the disposal of waste tires. No hazardous wastes, as regulated by the Tennessee Hazardous Waste Management Act (Tennessee Code Annotated, §68-212-101 et seq.) and the rules adopted pursuant to the Act, were allowed to be accepted for disposal at this facility. The official responsible for operation of the facility is Lee Barr, Route 1, 5339 Old Higdon Road, Joelton, TN 37080.

DSWM has determined that Lee Barr d.b.a. Barr Tire Company, by failing to comply with the terms and conditions of his permit, has not met the requirements set out in Tennessee Rule Chapter 1200-1-7, Solid Waste Processing and Disposal and The Tennessee Solid Waste Disposal Act. It is the present intent of the Commissioner, pending consideration of any contrary information received during the public comment period ending on July 25, 2008, that this permit be terminated. Copies of the background data leading to this tentative decision may be viewed at the Cheatham County Public Library, 188 County Services Drive, Ashland City, TN 37015; telephone: (615) 792-2054. These materials are also available for public inspection in the Public Access Area at the TDEC Nashville Environmental Field Office, 711 R. S. Gass Boulevard, Nashville, TN 37243; telephone: 615-687-7000.

During the public comment period provided, any interested person may submit written comments on the termination of the Barr Tire Company disposal facility permit. The public is invited to submit comments in writing to: Mr. Mike Apple, Director, Division of Solid Waste Management, 5th Floor, L & C Tower, 401 Church Street, Nashville, TN 37243-1535; telephone: 615-532-0780. Comments must be received by 4:30 p.m. (CDT) on Friday, July 25, 2008, to assure consideration. After considering all public comments, the DSWM Director will issue a final decision, which can be viewed at the Cheatham County Public Library or at the TDEC Environmental Field Office in Nashville.
